BUS 362

# Lectures

- More conceptual than lab material
- Lab material based on lecture material
- Will help you figure out what to focus on for exams

# Exams

- Questions come from lecture material, a few from the textbook
- A large portion of the marks are based on ability to complete diagrams

# Textbook

- 5th edition available online
- 5th edition is basically the same as the 6th edition, which cuts content
- Page references for both the 5th and 6th edition will be provided

# Tutorials

# Assignments

- 7 or 8 in total
- Aiming for consistent marking
- Come to me with any grading questions

# Weekly Assignments

- Due on Thursdays at 18:00
- Most can be finished in tutorial
- Submitted on Canvas
- Done in groups

# Analysis Assignment

- Company selection
- Process modelling and creation
- Redoing the weekly assignments based on an example you find

# Design Assignment

- Based on analysis assignment
- Interface design
- Presentation during tutorial

# How to do Well

- Read instructions
- Be a bit lazy
- Don't be too lazy
